## Children's Ministry: Helper (in classrooms)

**Goal:** Create a welcoming opportunity to capture the minds and hearts of our kids as they have fun in community and discover God's Word

**Time Commitment:** 1 hour and 30 minutes on weekend

**Supported By:** Children's Team

### Responsibilities:

- Welcome kids and enjoy getting to know them
- Lead by example: engage in worship, sit with the kids and help them stay focused, and don't be afraid to get goofy and have fun
