

WESTGATE CHURCH

Worship/Production: Production Arts

Goal: To use audio, video, lighting & media to create engaging worship experiences to allow people to connect with God

Time Commitment: Once or twice a month; training is provided

Supported By: Production Director

Responsibilities

- **Audio** - Mix FOH Audio for our weekend services in one of our many venues. Experience strongly preferred but willing to train the right person who has a musical ear and technical aptitude.
- **Video** - Operate cameras for our weekend services; direct and operate in our video control room working with our production switcher
- **Lighting** - Operate our lighting console for our weekend services using moving lights and atmospheric effects to create beautiful visuals; programming is done before you come in
- **Media** - Responsible for running all of our song lyrics and videos for our weekend services
